

# Summer Networking in the Park

**Saturday | August 6, 2022 | 12:00 PM – 3:00 PM**

Come join us for a long-awaited networking event in the park. This year Keizai and JBC will join hands to connect our two communities. We will hold the picnic at Serra Park in Sunnyvale. This 11.5 acre, Mark Twain era-themed park is well shaded with spacious picnic sites, children's play area and tennis courts. This event is ideal for both networking and catching up with old acquaintances or making new friends. The park's green open field also offers your family members, significant others and friends a place to enjoy outdoor activities.

This year we invite you to Bring Your Own Bento for the picnic. Showcase your artistic creativity with the bento box! A bento contest will be held (with prizes for the winners) and other fun activities such as Bingo game will be played. Bottled beverages including alcoholic drinks will be provided.

**Date:** Saturday, August 6, 2022  
12:00 pm – 3:00 pm

**Venue:** Serra Park <https://goo.gl/maps/p4CCYGLX52MgwWtN9>

Founded in 1990, Keizai Silicon Valley US-Japan Business Forum is an all-volunteer business and professional networking organization based in the San Francisco Bay Area. Its primary purpose is to provide opportunities for executives and professionals to develop the knowledge and human networks for successful US-Japan Business.

Japan Bio Community (JBC) is a non-profit organization [IRC 501(c) (6)] that provides a network for Japanese and Japanese-speaking professionals who work in the US biotechnology, biopharmaceutical and healthcare industries. JBC holds regular monthly meetings in the Silicon Valley and provides the latest information on a wide variety of topics in the areas of bioscience, bio-business and the high-tech industry. These forums are well attended by local professionals and researchers from prestigious universities such as Stanford, UC Berkeley and UCSF, as well as those from East Coast and Japan.
